Visit [http://registrar.illinois.edu/academic-calendars](http://registrar.illinois.edu/academic-calendars) for the full academic calendar.
General Information

• This course moves quickly! Familiarize yourself with assignment due dates and exam dates before starting the coursework.
• The course term is 8 weeks long.
• All of your course material is online.
• You may begin working on your course on the first day of class: June 12, 2023.
• There are no video lectures to attend. You will be engaging directly with the material.
• ALEKS is a complete learning system and does not require any additional textbook.
What Do I Need?

• Course access instructions will be provided in your course welcome email.
  – A specific access code for your course will be in that email.
  – There is a non-refundable $68.04 fee for an 11-week course access code.
• Stable, reliable internet access.
• A Windows or Mac computer that enables you to install software.
  – Chrome, Firefox and Safari are compatible with your courseware.
• There is a $10 fee for the online proctoring system, Respondus, which is required for the final exam.
• You do not need to print your assignments in order to complete them.
Course Format: ALEKS

- There are no video lectures
- ALEKS will walk you through an assessment and how to use the system before beginning your course.
- The assessment will direct your individualized learning path.
- The final exam will be online using Respondus, an online proctoring system.
Whom to Contact?

- Registration and non-instruction inquiries: Contact the NetMath office by email <netmath@illinois.edu>
- Course Instruction:
  - Instructor: Alison Reddy at ared2@illinois.edu
  - TA: Katrina Schideman at katrina7@illinois.edu
Exams – ALEKS

• The final exam date for Summer 2023 is August 4th.
• Your instructor will set up final exam access.
• The final exam will be administered using Respondus, an online proctoring system.
• There is a $10 fee associated with using Respondus.
• System requirements for using Respondus are available here: https://www.aleks.com/support/lockdown_system_requirements
Taking Your Final Exam

• The final must be taken on August 4, 2023.
  – Contact your instructor well in advance if you are unable to take the final on this date.
Any Questions?

Questions regarding the difference between Summer Term and Academic Year options? see https://netmath.illinois.edu/register/summer-session-ii on the NetMath website.
